REQUEST FOR PROPOSAL
NATURAL GAS PIPING CROSSING
SANDBLASTING AND PAINTING

Notice is hereby given that the City of Munford, Tennessee is soliciting proposals for the sandblasting and painting of 330.7 linear feet of 4-inch natural gas pipe located at the railroad bridge crossing of Porterville Road in Brighton Tennessee. The RFP document can be obtained from Munford City Hall, 1397 Munford Ave., Munford, Tennessee 38058 or by emailing Peter Colin, City Manager, at pcolin@munford.com.

All proposals should be delivered by hand, courier service or mail to Peter Colin, City Manager, Munford City Hall, 1397 Munford Ave., Munford, Tennessee 38058. Proposals should be received by 4:00 p.m. Sept 17, 2018. The City reserves the right to accept any proposal by email. Questions concerning this request for proposal may be directed to Peter Colin at (901) 837-5953.

City of Munford reserves the right to accept or reject any and all proposals in completely, or in part, and to waive all informalities and to award the proposal that it determines to be in the best interest of the City.

1 PURPOSE AND OBJECTIVE

Background. The City of Munford, Tennessee (hereafter “City”) is seeking proposals from qualified companies for the sandblasting and painting of 330.7 linear feet of 4-inch natural gas pipe located at the railroad bridge crossing of Porterville Road in Brighton Tennessee.

The City operates a municipally owned local natural gas serving residents, schools and commercial customers located in three municipalities (Munford, Atoka and Brighton) and portions of Tipton County, Tennessee.

The City now wishes to receive proposals from qualified, experienced natural gas service contractors with the resources, expertise and experience to undertake this project in a timely manner.

2 THE CITY OF MUNFORD, TN

Munford, Tennessee, twenty-five miles from Memphis, is a residential town with a population of approximately 6,100. Munford also provides utility services (natural gas, water, wastewater collection and treatment) to the neighboring towns of Atoka (population 10,000) and Brighton (population 1,500) and a small portion of the unincorporated area of Tipton County.

3 CURRENT NATURAL GAS UTILITY ENVIRONMENT

Customer Base: The city’s local natural gas utility has approximately 6,800 metered residential accounts and about 200 commercial accounts. The major (non-residential) accounts include public schools run by the Tipton County School System, retail establishments, a small manufacturing plant and an asphalt paving plant and the neighboring Town of Atoka.

4 Scope of SERVICES

A complete description of the project is contained in Exhibit A. The project is for sandblasting and painting of 330.7 linear feet of 4" Natural Gas Piping located at the Porterville Road railroad cross in Brighton Tennessee. The scope shall include:

1. Perform all Traffic Control Activities as required.
2. Provide all man lifting and material handling equipment.
3. Near White Metal Blast (SSP10) 4" Gas Main and Supports
4. Prime
5. Paint
6. Install HDPE Insulating Pads to existing hangers.

Please refer to Exhibit A for more details on the project and contractor requirements associated with the project.

5 Evaluation of Proposals

The City will be placing considerable operational reliance and financial responsibility on the Contractor selected. The City will assess the qualifications, experience and commitment of the proposing organization to ensure a successful project, relationship and commitment.

Proposals will be evaluated based on the value created for the City's assets, the price of renovation services and components, the ability of the Respondent to meet the City's requirements, the reliability and financial stability of the Contractor, the Contractor's expertise/experience in providing comparable services to natural gas utilities, and the quality of the Respondent's proposal.

If the City determines that more than one of the proposals meets the requirements of the City, it may enter into negotiations designed to lead to the execution of a Contract. Such negotiations may include a face-to-face meeting with the City at a place of its choosing, most likely Munford, TN.

The City's evaluation of proposals is intended to result in a recommendation to the City's board of Mayor and Alderman for approval of a services agreement with the recommended Contractor.

The evaluation criteria shall include:

1. Company history/experience, focusing on each respondent's expertise and experience with the activities described in the scope of work (see Exhibit A).
2. Project Plan (Schedule, Crew, Materials, etc.):
 - a. Schedule: an estimated schedule (Project Start Day and Project End Date, etc.)
 - b. Staffing: an estimate of the size of the project staff (work crew)
 - c. Other factors: address any other factors you consider important.
3. Pricing, payments, terms and conditions. Please provide a pricing and payment schedule. Please include information on your company's Liability Insurance coverage (see Exhibit B).
4. Familiarity with local conditions.
5. A Reference List the City may contact.

6 Contract Documents

Prior to awarding the contract, a project contract will be drafted by the parties, to include Drug-Free Workplace Affidavit, General Conditions, Supplementary Conditions. If the City deems it appropriate, the City shall require a Performance Bond and/or Payment Bond.

7 Process and Administrative

Close Date: Sept. ____, 2018 at 4:00 pm CST.

Submit proposals in hardcopy or electronic form to:

Peter Colin, City Manager
City of Munford
1397 Munford Ave.
Munford, TN 38058
Email: pcolin@munford.com
Office: 901-837-5953

Direct all questions regarding this RFP to:

Peter Colin, City Manager
City of Munford
1397 Munford Ave.
Munford, TN 38058
Email: pcolin@munford.com
Office: 901-837-5953

In the proposal, the Respondent shall include its organization name and address, and the name, phone number, and e-mail address of a contact person should the City have questions about the proposal.

The proposal shall include the Respondent's authorized representative with title and contact information.

The proposal shall state the date through which it remains valid.

Revisions: should the City determine in its sole discretion to revise any part of this RFP prior to the Close Date, the revisions will be provided in writing to all Respondents. The City may also, in its sole discretion, extend the Close Date to an alternate date of its choosing to allow all Respondents to consider and respond to a revision, and will advise all Respondents of such in writing. It is the sole responsibility of the Respondent, prior to the Close Date, to ensure they have received all revisions pertaining to the RFP.

Extensions Requested by a Respondent: Extensions to the Close Date will only be considered when requested by a Respondent no less than seventy-two (72) hours prior to the Close Date. An extension may only be granted by the City in its sole discretion and may be granted to all Respondents as a result of such request.

Return of Proposal: A Proposal, accompanying materials and any revisions or amendments thereto which are submitted by the Respondent(s) are the property of the City and will not be returned.

Release of Respondent Information: The City reserves the right to publish the names of Respondents, if deemed appropriate.

Liability for Errors: The City and/or its agents shall not be held liable or accountable for any error or omission in any part of this RFP or response to any questions of Respondents, and the Respondent hereby releases the City, its employees and agents from any such liability whatsoever.

Preparation Costs: any and all preparation costs incurred by the Respondent in developing Proposals, presentations, demonstrations, or any other activity related to Respondent's response to this RFP (including attending site visits), are solely the responsibility of the Respondent.

Proposal Validity: to enable the City to complete its evaluation and approval processes, Proposals submitted shall remain valid for a period of not less than one hundred eighty (180) days, with the exception of the indicative commodity pricing.

City of Munford DISCRETION. The Respondent hereby acknowledges that:

- a) The process will be used to obtain proposals from qualified contractors. This will allow the City to review proposals and enter into negotiations with the Respondent whose proposal is evaluated as most advantageous to the City.
- b) The City is not committed, by virtue of this request for proposal, to award a contract for services, or to pay costs incurred in the preparation of any proposal. Proposals submitted become the property of the city, however, the City will strive to maintain confidentiality of the proposals, but Respondents acknowledge that this is not a guarantee of confidentiality and the City must abide by existing "Sunshine" and open meetings laws of the State of Tennessee.
- c) The City shall have unrestricted rights to reject any or all proposals contained herein, to waive any formalities and technicalities, and to select the proposal which, in the City's' sole unrestricted discretion deems most advantageous to it. The City reserves the right to award a contract based on proposals received without further discussion or negotiation. The City reserves the right to accept other than the lowest priced offer/proposal.
- d) The City further reserves the right to make such investigation as it deems necessary, to determine the capability of the Respondent to furnish required services, and Respondents shall furnish all such information for this purpose as the City may reasonably request.
- e) The City reserves the right to consider, during the evaluation of Proposals:
 - 1) information provided in the Proposal itself;
 - 2) information received in response to inquiries of credit and industry references set out in the Proposal;
 - 3) the manner in which the Respondents provides services to others;

- 4) the experience and qualification of the Responder;
 - 5) such alternate goods, services, terms or conditions that may be offered, whether such offer is contained in a Proposal or otherwise,
 - 6) splitting the RFP and Project Scope into multiple parts and accepting Proposals (or portions thereof) from more than one Responder.
 - 7) rejecting Respondent's recommendation of an appraiser, Subcontractor or any other third party associated with the Proposal and jointly along with the Respondent determine alternate acceptable third parties; and
 - 8) any other consideration in the City's discretion.
- f) The City may rely upon the criteria it deems relevant, even if such criteria has not been disclosed to Respondent. By submitting a Proposal, the Respondent acknowledges the City's rights under this Section and absolutely waives any right or cause of action against the City and its employees, or agents by reason of the City failure to accept the Proposal submitted by the Respondent, whether such right or cause of action arises in contract, tort including negligence or otherwise;
- g) The City shall not at any time have any obligation to deal exclusively with the Respondent; and
- h) The City expressly reserves its rights, in its sole discretion, to seek a Proposal regarding the subject matter hereof, from any person whomsoever and at any time.
- i) Final authority to award any contract rests with the City's Board of Mayor and Aldermen.

LIMITATION OF LIABILITY

Respondent, by submitting a Proposal to this RFP, agrees that it will not claim damages, costs or expenses for whatever reason, relating in any way to this RFP and any resulting process (including without limitation any subsequent discussions or negotiations, if any, or in respect of any competitive process) and waives any and all claims against the City of Munford whatsoever, whether for costs, damages or expenses incurred by Respondent in preparing its Proposal, in participating in this RFP process (including without limitation any subsequent discussion or negotiation, if any), loss of anticipated profit or any other matter whatsoever related to this RFP and any resulting process, discussions or negotiations.
