## ***BEST OF SHOW***

### ***Munford Business Booth Contest***

Did you request an open booth space in front of your business for Celebrate Munford? Here's a way to entice event-goers to your business and earn center stage recognition for the best business display.

1. Decorate your space to reflect what your business offers
2. Use your open space to invite event-goers to your space
3. Offer activity for the public reflecting your business
4. Create a seating area (if possible)

The ***BEST OF SHOW*** will receive a trophy and be announced at center stage on September 17.

*To request an open space in front of your business, please contact Barbara Dorn at 837-5972 before August 1, 2016. (Only businesses that are blocked by booths are eligible for 1 free open space in front of their business – more may be purchased, if available.)*
