RESIDENTIAL NATURAL GAS METER AND SERVICE LINE REBATE PROGRAM

REVISED PROGRAM REPLACING PROGRAM DATED JUNE 15, 2013 THROUGH DECEMBER 31, 2013 WITH REVISED PROGRAM DATED MARCH 14, 2017 THROUGH DECEMBER 31 2017 WITH THE CITY HAVING THE OPTION TO END THE PROGRAM EARLY, WITHOUT PRIOR PUBLIC NOTICE, OR EXTEND IT.

Up to 300 feet of $\frac{3}{4}$ inch service line and meter will be installed at a charge of \$550.00 with a \$500.00 rebate if the following conditions are met; installation of natural gas heat as primary heating source, installation of natural gas water heater / heaters as primary water heating source, installation of natural gas cooking equipment as primary source for cooking, connection for a natural gas clothes dryer and a connection for either natural gas logs, outside natural gas lights or natural gas grill.

If the above conditions are not met, the rebate will be based on a per unit basis as follows; natural gas heat - \$150.00, natural gas water heater - \$150.00, natural gas cooking equipment \$25.00, natural gas clothes dryer connection \$25.00, natural gas logs, light or grill \$25.00.

If the homeowner installs a natural gas clothes dryer, he/she will be eligible for a \$100.00 rebate.

Existing homeowners that replace their electric water heater/heaters with natural gas water heater/heaters will be eligible for a \$100.00 rebate.

Rebates will not be issued until requested by builder when the Certificate of Occupancy is requested or homeowner and the installation verified by a City of Munford representative.

Rebates shall apply only to original account number at time of application / permit.

THIS PROGRAM APPLIES ONLY TO NATURAL GAS CUSTOMERS SERVICED BY THE MUNFORD GAS DEPARTMENT. IT ALSO APPLIES TO HOMES UNDER CONSTRUCTION ON EFFECTIVE DATE.

Thank You,

Board of Mayor and Aldermen
