

RESIDENTIAL TRASH SERVICE

CITY OF MUNFORD

Please make sure all household garbage is placed inside of the trashcan for pickup. Garbage placed on the ground will not be picked up. Excess garbage can be stacked inside the trashcan with the lid open. Make sure trashcan is at least 3 feet away from your mailbox or any other structure.

Trashcans should be placed at the edge of road on collection day by 6:00 a.m. with lid opening towards the road (the wheels away from the road).

Trash collection will occur each week on Thursday or Friday depending on your scheduled day. When one of the following holidays occurs during the Monday to Friday “work week”, your pick-up day will be delayed by one day. Those holidays are New Year’s Day, Martin Luther King Jr. Day, Memorial Day, Independence Day, Labor Day, Thanksgiving and Christmas Day.

Monthly service fees - \$18 for the first can and \$10 for any additional can. Service fees will be billed on your monthly utility bill.
