Please attach detailed design/drawings, site plan for ground sign or elevation drawing for wall sign, and details of foundations, footings, materials, colors, mounting hardware, and any electrical services provided.

**NOTES:** For ground signs - the footing/foundation must be inspected prior to installation  
 For illuminated signs - an electrician must obtain a permit and have the connection inspected  
 Applicant is responsible for repairing any damage to sidewalks, streets, alleys, pipe lines, buildings, etc.

*Applicant agrees to indemnify and hold harmless the City of Munford and its Inspectors for any damages caused by this sign.*

*Sign application and design is subject for review by the City of Munford Planning Commission which meets on the second Tuesday of each month in the Munford Municipal Building, 69 College Street. Sign is not to be erected prior to approval.*
